**THE SUPEROR COURT OF CALIFORNIA C  
COUNTY OF SANTA CLARA  
CRIMINAL  
BAIL SCHEDULE**

**PAGE 133 THROUGH PAGE 599**

**133-599 RESERVED**

# **SUPERIOR COURT OF CALIFORNIA COUNTY OF SANTA CLARA**

## **2007 Felony Bail Schedule**

## **GENERAL INSTRUCTIONS**

**It is the duty of the superior court judges in each county to prepare, adopt, and annually revise a uniform countywide schedule of bail for all bailable felony offenses (Penal Code section 1269b(c)). In adopting a uniform countywide bail schedule of bail for all bailable felony offenses the judges shall consider the seriousness of the offense charged (Penal Code section 1269b(e)).**

**The countywide bail schedule shall contain a list of the offenses and the amounts of bail applicable for each as the judges determine to be appropriate (Penal Code section 1269b(f)). The bail schedule shall contain a general clause for those offenses not specifically listed in the bail schedule. For all felony offenses not listed, the bail amount is \$10,000.**

**Prior to an appearance before a judge or magistrate, the bail shall be in the amount fixed in the warrant of arrest or, if no warrant of arrest has been issued, the amount of bail shall be pursuant to the uniform countywide schedule of bail.**

**At the defendant's first appearance before a judge or magistrate on the charge contained in the complaint, indictment, or information, the bail shall be set by the judge at the time of the appearance (Penal Code section 1269b(b)).**

**Penal Code section 1275 provides that:**

**In setting, reducing, or denying bail, the judge or magistrate shall take into consideration the protection of the public, the seriousness of the offense charged, the previous criminal record of the defendant, and the probability of his or her appearing at trial or hearing of the case. The public safety shall be the primary consideration.**

**When a person is detained in custody on a criminal charge prior to conviction for want of bail, that person is entitled to an automatic review of the order fixing the amount of the bail by the judge or magistrate having jurisdiction of the offense. That review shall be held not later than five days from the time of the original order fixing the amount of bail on the original accusatory pleading. The defendant may waive this review (Penal Code section 1270.2).**

**Before any person who is arrested to for any of the following crimes may be released on bail in an amount that is either more or less than the amount contained in the schedule of bail for the offense, or may be released on his or her own recognizance, a hearing shall be held in open court before the magistrate, or judge. Felony offenses in which the defendant is not to be released on bail or own recognizance release**

without judicial review at a hearing with notice to the District Attorney, if bail is to be more or less than the amount in the Bail Schedule are:

- Any serious felony listed in Penal Code section 1192.7;**
- Any violent felony as defined in subdivision (c) of Penal Code section 667.5, (but not including Penal Code section 460(a));**
- A violation of Penal Code section 136.1 pursuant to subdivision (c);**
- Any felony violation of Penal Code section 262 (Spousal Rape), Penal Code section 273.5 (Domestic Violence), Penal Code section 422 (Threats);**
- Any violation of Penal Code Section 646.9 (Stalking);**
- Any violation of paragraph (a) of subdivision (e) of Penal Code section 243;**
- A violation of Penal Code section 273.6, if the detained person made threats or harm, has engaged in violence against, or has gone to the residence workplace of, the protected party:**

**Felony offenses in which the defendant is not to be released without judicial review are:**

- Any felony where the defendant has (2) two or more serious or violent felony prior convictions (Sections 667(e)(2)(A) & 1170.12(c)(2)(A);**
- Any felony sex offense where the defendant has similar prior convictions (Penal Code section 667.71).**
- Narcotic felony offense (Sections 11353, 11353.5, 11361, 11380, 11380.5; Health and Safety Code), where defendant has two prison prior convictions of same nature (Penal Code section 667.55)**

**Felony offenses involving acts of violence on another person, felony sexual assault offenses on another person, and any felony offense where the defendant has threatened another with great bodily harm must be reviewed by the Duty Judge prior to the setting of bail.**

**The Bail Schedule contemplates the following practice where more than one offense is charged.**

- (1) When a defendant is booked on two or more charges arising from the same course of conduct, bail shall be the amount set for the charge having the highest bail.**
- (2) When a defendant is booked on two more charges arising from separate courses of conduct, bail shall be the sum of the amount set for the charge in each course of conduct having the highest bail.**
- (3) For sex offenses arising from threat or menace, bail shall be the sum of the full amounts set for each charge irrespective of whether the charges arise from a single course of conduct or single transaction.**

**Where an enhancement or enhancements have been alleged, the listed bail amounts for each enhancement or enhancements should be added to the bail for the underlying offense or offenses.**

The examples outlined below demonstrate how to calculate a bail amount when a person is arrested and booked on more than one charge.

**EXAMPLE #1**

This example demonstrates how to calculate the bail amount when a defendant is booked on more than one charge arising out of a single act that precludes multiple punishments.

Charge 1	459PC	\$50,000
Charge 2	496PC	10,000
Charge 3	487PC	10,000

The bail in this example is \$50,000 because the PC 459 charge has the highest bail and all the charges arise from a single act that precludes multiple punishments.

**EXAMPLE #2**

This example demonstrates how to calculate the bail amount when a defendant is booked on more than one charge arising from different acts that permit multiple punishments.

Charge 1	VC 10851	\$10,000
Charge 2	VC 20001	25,000
Charge 3	VC 23153	25,000

The bail amount in this example is \$60,000 because VC 10851, VC 20001, and VC 23153 are separate acts that can be punished separately.
